

CLASSROOM NEWSLETTER

JANUARY 27-31, 2025

What We're Learning

Reading

Next week, we will finish up Technology Wins the Game. Next we will continue to the next story, Tops and Bottoms and learn about fables.

Patterns in Math

Our unit over fractions will continue as we learn about placing fractions on a number line and comparing fractions.

Survival Traits in Science

We will finish up the animal research posters from this week and continue with learning about patterns in traits that help organisms survive.

Language Arts

Our literature set book will continue as we finish the last 3 chapters and activities.

Continued...

Social Studies

There will be a test over symbols next week on Thursday. Students will have a study guide sent home on Wednesday.

Upcoming Events

- January 27: Bookmobile at ACES.
- January 30: AR points due.
- January 31: 100th Day of School Celebration. Progress reports will be sent home.
