AUGUST 30,  
2024

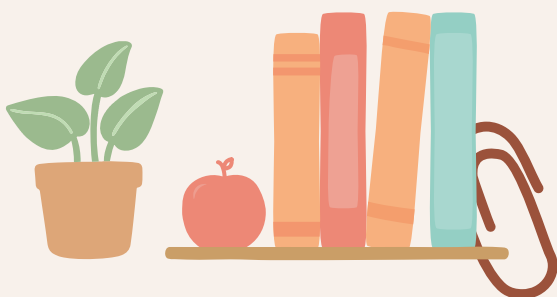

## Coming Up Next Week

### READING

Next week we will be reading a story, The Trial of Cardigan Jones. We will work heavily on main idea and details with this story. This skill will be introduced and there will be several opportunities for students to work on this skill.

### Math

We begin a huge unit next week as we learn the beginning products of multiplication.

### Science

Our unit over force and balance continues as we learn about non-touching forces, including magnetism.

### Social Studies

Next week, we will finish our activity for Missouri's geography and begin learning about the people, art, and culture.

### Language Arts

The students have been working hard to learn about the parts of a complete sentence. Next week, we tie in the terms subject and predicate.
