

NEWS YOU CAN USE

November 18–22, 2024

November is a special time at our school. It's not just about turkeys and parades; it is an extra chance to discuss what we are thankful for.

Jot these dates down:

November 18: Bookmobile at ACES

November 19: Culver's Night from 5:00–8:00

November 18–22: Middle School basketball tournament in Ravenwood.

Reading

Our students will be reading Bat Loves the Night and doing some research about bats.

Math

Unit 3 begins next week as we get into learning about place value. This year we will learn place value up to the hundred thousands place!

Science

Next week we will begin the third portion of our unit as we learn about the role environment plays in an organisms way of life.

Language Arts

Our class will be working on Thanksgiving stories and will continue working on them leading up to Thanksgiving.

Social Studies

There will be a study guide sent on Wednesday and there will be a test on Thursday over the economy unit.
