Next Week in Third Grade

Reading: Early in the week we will finish up our unit over reference materials. We will spend the rest of the week working on using character trait characteristics to identify proof from the text in supporting details.

Math: Practice those 2, 5, and 9 facts daily!! We will get into 3s soon!!

Science: We will tie touching forces and gravity all together in explaining a floating train scenario.

Social Studies: We will be studying the Lewis and Clark Expedition.

Language Arts: We will begin our first narrative writing using Weslandia to guide our process in writing.

** Your child will be getting their requirement for October AR points next week. Remember, this will be a goal specifically set for your child based on their STAR Reading test scores. They are able to begin reading for the October goal now!!

Reminders

If you would like to participate in Spanish Club, please send your permission forms back ASAP next week.
