ELL Student Home Language Survey

STUDENT HOME LANGUAGE SURVEY

Dear Parent/Guardian:

The Avenue City School District has an English Language Learner (ELL) program to help students who may not be proficient in English because of the use of another language in the home, and who thus may have a need for additional help with the classes they are taking. If your child is not proficient in English and you feel he/she may qualify for the ELL program, please complete this form and return it to your child's school.
