

# Mrs. Svendsen's Kindergarten News

Welcome to the first edition of Mrs. Svendsen's Class News! I will send home a newsletter every Friday. Please make sure you take the time to read it each week so you know what is going on and coming up in our classroom.

**Reading** – This week we will learn all about environmental print. These are words your child sees all around and can identify easily, such as M&M's, Netflix, Amazon, Pepsi, etc. **If you could cut out and send in any logos from items you may have around the house, we will be using them for an activity.** Thank you!

**Math** – We will learn about 2-dimensional shapes this week. Your child will be able to identify square, triangle, rectangle, and circle.

**Social Studies** – We will continue to learn about being a good student and friend.

**Snack** – The school will provide your child with a snack and milk each day. To cover this cost, there is a \$50 snack fee each semester. Thank you to those who have already taken care of this.

**Scholastic Book Orders** – If you would like to order books for your child, please order online at <https://orders.scholastic.com/GL9ML>. Scholastic offers an affordable way to build your child's library! Orders are due on Friday.

**Thank You** – Thank you all for the support you've shown me as we've started the school year! I appreciate it and am looking forward to a great year.
