Hunter!

Heartwords

a	to	in
the	and	of
is	am	I
here	go	my
like	at	on
it	be	for
as	can	not
are	you	do

Reading – We're going to be reading like crazy this second quarter! Our heartwords this week are *do, you, and are*. We will continue practicing blending CVC words and putting them together in sentences.

Our stories this week will be all about penguins, as we continue learning about nonfiction text.

Math – We will begin learning teen numbers this week. This will be identifying them, but also how they are formed with tens and ones.

Grammar – This week will be all about complete sentences as we start writing our own.

Writing – We are finishing up learning how to form our lower case letters. Please make sure your child is starting all letters from the top, not the bottom. Almost all are now able to write their first and last names correctly. That is wonderful!

Science – This week we will learn about penguins and how they adapt to survive in the arctic.

Snack Fee – Just a reminder that we have a \$50 snack fee for the remainder of the year. Please pay as soon as you are able. This will cover a milk each day as well as a snack.

Animal Shelter Donations – Thank you to all that donated to our Christmas service project. All the recipients were very grateful for all the donations! They were surprised by our generosity and said the items were much needed.

If you ever have any questions, comments, or concerns, please feel free to contact me at school or email me at asvendsen@avenuecityschool.org.
