

Mrs. Svendsen's Kindergarten News

Reading – This week our theme will be dinosaurs. Our new heartwords will be *our*, *ate*, and *who*. They are getting more challenging, so please keep practicing at home.

We are moving on from our CVC words to reading words with 'what's your name e' at the end (like, bike, cake, etc.).

Math – We will review comparing two numbers this week using the following terms: greater than, less than, and equal to.

Writing – This week we will continue working on our class book. If you would like to order a copy from Student Treasures, please return the order form by March 16. These are wonderful keepsakes!

Science – We will discuss the role of paleontologists and create our own fossils.

Report Cards – The end of 3rd quarter is fast approaching! Report cards will be sent home on Friday. Please look over the areas your child has not mastered

Recess Attire – As the weather is starting to get warmer (thank goodness!), please remember that it is still a little chilly during our first recess. Your child should have a jacket or something to cover their arms on those cold mornings.

Week of
March 6 - 10

Important Dates

March 6 – Bookmobile

March 7 – PTO Meeting,
6:30p

March 8 – K/1 Book Club
Don't forget permission slip
