

# Mrs. Svendsen's Kindergarten News

**Reading** –Our new heartwords will be *must, what, and where*. Your child should be able to fluently read 40 of our heartwords by now. Our goal will be 60 by the end of the year.

This week we will compare and contrast two fiction stories about Irish folklore as we prepare for that sneaky Leprechaun to arrive!

**Math** – We will continue learning how to compare two digit numbers. We will also practice our sorting and graphing skills.

**Writing** – We will continue working on our Student Treasures book as we become published authors. If you haven't ordered one yet, there is still time.

**Science** – We will begin learning about the moon this week.

**Markers** – For our Student Treasure books, we will need to use Crayola markers for the pictures. Please to check with your child to see if they need a new package of classic color markers. We've had lots of them dry out throughout the year and are running low.

**PTO Update** – Make sure to follow ACES PTO on Facebook to stay updated. You may submit grocery receipts using the Box Tops app and the funds will be used by our school. It's an easy way to give back!

Spring Fling will be April 15 from 5-7 pm.
