

Mrs. Svendsen's Kindergarten News

Reading –Our new heartwords will be *he, she, and we*. Your child should be able to fluently read 40 of our heartwords by now. Our goal will be 60 by the end of the year.

This week we will learn all about different types of storms as we make connections to self, texts, and our world.

Math – We will begin our unit on addition. Your child will be able to solve single digit addition problems by the end of our unit. Encourage them to add items together at home.

Writing – We are finishing up our Student Treasures book and preparing to send it off for publication! If you have not ordered a copy, please do so by Thursday. Let me know if you need another form.

Science – This week we will begin learning about the phases of the moon.

Book Logs – Don't forget to be completing those book logs for March. If you haven't already, give your child the opportunity to read to you! The book log totals for the year will be used to calculate reading end of the year awards.

Spring Fling – Mark your calendars! Our PTO Spring Fling will be held on April 15 from 5-7 pm. There will be a dinner, silent auction, and fun games!

Week of
March 20-24

Important Dates

March 20 - Bookmobile
