

Mrs. Svendsen's Kindergarten News

Reading – Our new heartwords will be *but*, *want*, and *there*. Your child should be able to fluently read 40 of our heartwords by now. Our goal will be 60 by the end of the year. Please continue practicing at home.

This week we will learn all about butterflies and their life cycle as we compare fiction and nonfiction texts.

Math – We will begin our unit on addition. We are learning partners of numbers. For instance, partners of 6 would be 4 and 2. In the car, give your child a number 10 or below and have them name the partners.

Writing – We are so close to sending off our Student Treasures book for publishing! Woohoo! We cannot wait to get our own copies of our book back. They are adorable!

Field Trip – We will be going on our field trip on Tuesday. Please make sure your child has tennis shoes and is dressed for the weather.

Music Program – Our spring music program will be at 6:15 pm on Thursday. Please have your child dressed in nice, spring attire and to school by 6:05 pm. The book fair and art show will also be happening after the program.

Book Logs – Don't forget to be completing those book logs for March. Book logs are due on Friday.

Week of
March 27 - 31

Important Dates

March 26 – Happy Birthday,
Stella!

March 28 – Field Trip
