

Mrs. Svendsen's Kindergarten News

Stanford Testing – We completed our testing this week and these kids did an awesome job. I am so proud of how much they have learned this year! Results will be sent home in the fall.

Reading – Aargh...we'll learn about pirates this week, as we didn't get to it last week. We've had several of our friends make it to home plate by knowing their sight words! Please help your child practice at home, so they can also earn their homerun prize!

Math – This week we will focus on subtraction.

Science – We will continue learning about force and magnets this week.

Library – Please make sure all library and Bookmobile books are returned as soon as possible.

Tying Shoes – We have been practicing tying shoes in our classroom. Just a reminder that this is on the kindergarten report card, so practice at home as well!

End of the Year Countdown – Monday – Opposite Day, Tuesday – Popsicle Day, Wednesday – Quarter Day, Thursday – Reading Day, Friday – Superhero Day

Book Swap – The upper grade book club is hosting a book swap on May 3. Every child that brings a book will be able to swap it out for a new one. This is a great chance to update your home library for the summer!

Week of
May 1-5

Important Dates

May 1-5 –

Teacher Appreciation Week

May 1 – Bookmobile

May 4 – Happy (summer)
Birthday, Hakeem!

May 5 – Happy (summer)
Birthday, Mia!
